

Young Uroradiologists

In the perspective to promote GU imaging among radiologists and actively involve incoming new generations of radiologists in the activities of the society, the ESUR wants to establish a working group (WG), denominated “the ESUR Young UroRadiologists working group”.

Membership

- a. For being appointed as a member of the Young Uroradiologists WG, a radiologist must comply with the following criteria:
 - i. Being a good-standing member of ESUR, membership is €100 for 2 years
 - ii. Age must be < 40 years
 - iii. Dedicating at least 30% of his time in GU imaging
 - iv. Having a recognized academic profile in GU imaging
 - v. Showing interest in the promotion of GU imaging
- b. Nomination:
 - i. Candidature should be submitted to the ESUR Secretary/Treasurer with the support of one ESUR member
- c. The WG should include members from at least five different countries
